

Haringey Aquatics Terms and Conditions in regard to Printing of Names on Shirts

"Some Haringey Aquatics merchandise, clothing in particular, provided by our club partners, Swimzi is available to purchase with the swimmers first name emblazoned on them.

Haringey Aquatics does not require the names of swimmers to be emblazoned on club clothing. Whilst first names, initials help to individualise garments, it is entirely a matter for the parent, guardian or carer as to whether to have club merchandise emblazoned with the swimmers first name, or initials.

All clothing is sold direct by Swimzi and the club does not accept liability in respect of purchases made on behalf of swimmers."
