

Grievance / Internal Dispute Procedure

The following is an internal procedure for Alton and District Swimming Club to ensure any internal disputes are handled correctly and fairly from the outset.

Most clubs from time to time have disputes and these can usually be resolved amicably between the individuals concerned or involved. There are occasions when a problem arises in a club where immediate action is required by a Coach or Teacher to discipline minor incidents of misbehaviour.

Any swimmer/parent with a grievance should put this in writing to the committee and the following procedures will take place. Letters should be handed to either a Coach, the Welfare Officer or the Chair.

All matters should be discussed before or after a coaching session and Coaches should not be expected to deal with issues during water time.

Procedure

- On receipt of notice of the dispute every effort will be made to resolve it by informal discussion with either the club Chair or the Welfare Officer.
- If there is no outcome from the discussion to resolve the issue, or it is necessary to discipline a member, the club will set up a panel to deal with the matter.
- The panel will consist of three persons – the Chair, the Welfare Officer and AN Other.
- The Welfare Officer will notify both parties of the date, time, venue of the hearing and the names of the panel members.
- Both parties will be given copies of any papers and every effort will be made to hold the hearing within seven days of the receipt of the dispute.
- If either party is under eighteen years of age they will be advised or their right to be accompanied by a parent or guardian to help them present their case to the panel.
- Both parties will be allowed to call witnesses.
- The hearing will be made as informal as possible.
- The complaint / incident will be presented first with evidence and the accused will then have the right to reply.
- Witnesses should wait outside the hearing room until they are called.
- Previous incidents may be taken into consideration during the disciplinary proceedings, but not during the hearing of the relevant incident.
- The Welfare Officer will make notes of the hearing and the panel will make every effort to announce their decision verbally to all parties without delay, followed by written confirmation to reach all parties within two days.
- If either party is dissatisfied with the outcome the matter can be escalated to Swim England in accordance with the judicial regulations.

Alton and District Swimming Club will endeavour to ensure that all parties are treated fairly. The complainant will have the opportunity to present their case and the accused the opportunity to respond.
