

Calverton and Bingham Swimming Club Behaviour Policy

Background

At Calverton and Bingham Swimming Club, we want all swimmers to enjoy themselves as well as develop their swimming skills. It is important for the enjoyment of all, including our volunteer coaches that whilst at the club and during your behaviour is excellent, that you abide by the rules and listen and abide to the instruction of your coaches.

Codes of Conduct

All members upon joining or at the time of membership renewal, will have agreed to the Calverton and Bingham Swimming Club Codes of Conduct, which run through the expected behaviours of all members including athletes, volunteers, officials, parents as well as coaches and teachers. If you are considered to have breached the Club Codes of Conduct, this document is designed to guide you through the club's internal disciplinary process to make sure that you are aware of how the codes of conduct are dealt with.

What this policy does not cover:

1. **Safeguarding and Welfare.** All members deserve the right to feel safe in our sport and it is important that all clubs adopt Wavepower, which is Swim England's safeguarding policy. If you have a safeguarding concern, then please email the club's welfare officer by contacting Dr Peter Miller or Hannah Saxton at cabscwelfareofficer@gmail.com
2. **A dispute or complaint between two or more club members.** This will follow the Club Complaints procedure
3. **Breach of the Swim England Handbook (including the Code of Ethics).** This will follow Swim England's Judicial Complaint procedure (regulation 108). Please find more information [here](#).

The Club disciplinary process

There will be four stages of the Club disciplinary process which will ensure a clear process in dealing with a breach of the Club Codes of Conduct and therefore all members know what to expect. This policy complements the Club Codes of Conduct and therefore should be read in conjunction with them.

Throughout all stages, those involved in the disciplinary action, have a right to complain via the Club Complaints route if either party are unhappy. More information can be found here: <https://www.swimming.org/members/how-to-resolve-issues-with-your-club/>.

The Club can issue a sanction for any breach of the Club codes of conduct at any stage. All sanctions must be time-bound and shared with all parties. Examples of a Club sanction include but are not limited to:

The meeting will be followed up with formal correspondence from the Chair confirming the meeting discussion, the required change in behaviour and an outline of the consequence of any further breaches.
