

Swim England
Hazard Identification and Risk Assessment Form

Risk Assessment for: Calverton & Bingham Swimming Club

Undertaken by: Mark Patterson

Date: 12th December 2022

Identified Hazard	Persons at Risk	Risk Significance			Action required	Date Action taken
		Low	Med	High		
Depth of water						
Competency of swimmer	Swimmers	x			Swimmers placed in ability groupings by lane and squad; reviewed on an ongoing basis through swimmer progression.	December 2022 and ongoing
Competency of supervisor	Coaches / poolside helpers	x			Trained coaches and leisure centre lifeguards at all pool sessions; sessions will not be undertaken without this in place. Ongoing review of Personnel to ensure training and CPD up to date.	December 2022 and ongoing
Competency of teachers	Coaches / poolside helpers	x			Trained coaches and leisure centre lifeguards at all pool sessions; sessions will not be undertaken without this in place. Ongoing review of Personnel to ensure training and CPD up to date.	December 2022 and ongoing
Number in pool at any one time	Maximum 40 for higher ability squads	x			Monitored by maximum squad numbers and attendance at sessions; lower numbers for junior squads.	December 2022 and ongoing

Known health issues / disabilities	Swimmers	x			Squad coaches have awareness of health issues and disabilities through swimmer data and parental data / consent and conversations. For any disability swimmer we would review level of coaching required (eg 1 to 1 etc)	December 2022 and ongoing
Entrance to water	Swimmers	x			Controlled entry to water; awareness of other swimmers; no diving unless monitored at deep end for competitive starts. All swimmers trained in competitive start awards when deemed competent.	December 2022 and ongoing
Entrance to Water (shallow End)	Swimmers		x		With new guidance from Swim England about no diving into pools below 1.35 metres, CABSC will no longer allow any diving in the shallow end	January 2023 onwards
Exit from water	Swimmers	x			Controlled exit from water; use if steps and/or shallow end.	December 2022 and ongoing
Awareness of first aid procedure	Coaches communicate and notify staff.	x			Leisure centre staff responsible for first aid procedures as needed.	December 2022 and ongoing
Trained in EAP	Swimmers, coaches and poolside helpers.	x			Leisure centre staff responsible in event of emergency; coaches volunteers and swimmers take lead from designated staff and follow clear instructions from plan.	December 2022 and ongoing
