

DUAL MEMBERSHIP POLICY

Hailsham Swimming Club accepts Members that wish to be dual members with other swimming clubs, subject to them agreeing on the following conditions.

Conditions of Dual Membership

- Pay the appropriate annual Membership fee and full monthly training fees for the group in which they train, regardless of training attendance.
- It is preferred that Hailsham Swimming Club is the swimmers ranked club
- Be prepared to swim in League competitions, when available, for Hailsham SC where conditions allow.
- Dual members that do not have Hailsham SC as their ranked club, can compete in Hailsham Club Champs (Jan 2024 onwards) on a time trial basis only.

UNIVERSITY OR SCHOOL/COLLEGE MEMBERSHIP POLICY

Hailsham Swimming Club supports the continued membership of swimmers who have chosen to leave the local area for school/college or university studies and as such would only be able to train with the club during school or university holidays/breaks. The Club recognises that the college or university may be a registered ASA club and as such the swimmer will be 'ranked' for the purposes of ASA rankings under their university or school/college club and therefore be 'first claim' to them. Specific fees will be payable for such members, subject to them meeting the following criteria:

University or School/College Members must:

- Pay the appropriate annual Membership fee and University/College Training fee; and
- Represent the club if available at the following competitions: Sussex County, Arena League and Sussex League.

Hailsham Swimming Club reserve the right to remove the above Membership options to Members who are no longer fulfilling the criteria

August 2023
