

AGM Head Coach Report 2023-24

I would like to congratulate to every swimmer, the entire coaching team, the committee and the parents for the hard work that has brought the club to an absolutely fantastic year.

Without a doubt, this was the best season for the club and swimmers in over a decade, if not longer.

National Arena League - 1th place out of 18 teams in Division One East, winning every round and gaining promotion to the Premier Division.

Surrey Age Group Championships - 43 individual athletes competed in 205 individual events collected a total of 26 medals, 5 gold, 15 silver and 6 bronze.

SE London Summer Championships – 29 individual athletes competed in 106 individual events in the age group and the youth swimmers competed in the London Aquatic Centre collected a total of 14 medals, 1 gold, 10 silver and 3 bronze.

British Summer Championship – 2 swimmer qualified in 2 events

English Summer Championship – 6 swimmer qualified in 18 events

This is the largest group of 7 swimmers to have qualified for national competitions in multiple events (20) over the last decade.

I hope these results will inspire other CASC swimmers to hard work and willing to achieve the same or even better results in the new season.

Patryk Folinski
CASC Head Coach
