

Greenwich Royals Swimming Club - Kit

Introduction

Importance of a club kit

- ❖ Club kit plays an important role in making members feel part of a club or a team, and in projecting a united image at the competitions we attend.
- ❖ Club kit plays an often overlooked but significant role in Welfare / Child Protection e.g. making it easier for swimmers and officials to be located quickly on a busy poolside.
- ❖ Our kit provides a consistent identity through the use of the same design, colours and typeface across different products.
- ❖ Our shirts are designed specifically for poolside wear and are also suitable for land training – fabric qualities include “moisture management, it’s breathable, quick-dry, high stretch and easy care”.
 - *Parents say the tops are ideal for those who spend many hours in viewing galleries.*
 - *Smaller sizes mean LTS members can wear a GRSC top while waiting for their lessons too.*

Online sales

Key points.

- ❖ Items will be available to order online at <http://greenwichroyalsswimmingclub.zeonshop.co.uk/> **BUT** only during certain periods of the year. *(You'll need to create an account and login to order)*

Important - If you place an order outside of a sales window it will not be processed but you may be charged.

- ❖ All sales are subject to minimum orders being met for each item, in total across the Club. As such, not all items will be offered during each sales window e.g. rucksacks, which have high minimum sales requirements.
- ❖ All items are made to order, with a maximum 6-8 week turnaround from when a sales window closes.

Important - *As items are made to order there is a 'no returns' policy, unless the product is faulty.*

- ❖ The Club has sample shirts in all sizes, in both unisex and ladies fit, for you to try on before ordering. If you don't have the opportunity to do so, we suggest ordering a size larger than you would normally go for. Other items, however, do come up on the large size, so you may wish to order down a size.

Tip –save on 'delivery costs' by placing an order with another member!
