| i) | The two members with the highest monthly charge: | Pay their fees in full |
| ii) | Any additional fee-paying member: | 50% of the normal squad fee |

Swim England Fees

These fees are payable when joining the club, this is a fixed fee that is set by Swim England each year and has to be paid in full on joining, then each year afterwards on the 1st January. The club currently collects these fees on behalf of Swim England. There is no reduction or refund of these fees regardless of when paid or circumstance.

MEMBERSHIP FEES 2025/26

Swim England

For the avoidance of doubt, the payment made when joining the club only covers a member for the period from joining until the 31st December of that year. A further Swim England Fee will then become due on the 1st January.

Swim England provides the club with insurance for members and support on other club related matters.

Until initial payment is made, and the Membership Secretary has confirmed registration with Swim England the individual will be unable to train or compete.

Payment of all the Swim England fees should be made via an online bank payment to the Club's account.

Swim England – Train	Payable when joining the club and each subsequent calendar year (only applies to those members in the following squads: Masters, Entry, Junior Sprint and WP)	£19.75
Swim England – Compete	Payable when joining the club and each subsequent calendar year (applies to all other Swimming & Water Polo squads not listed above)	£42.95
Swim England – Cat 3	Payable when joining the club and each subsequent calendar year (For every family with one or more children under the age of 16 a minimum of one parent or guardian must be a member of the Club and all relevant fees paid)	£15.20

If an athlete initially joins as a Category 1 (non-competing) member of the club, a top up fee of £23.20 will apply if they wish to compete in Level 3 Open Swimming Galas or play Water Polo Matches.

If an individual has membership of more than one Swim England affiliated club and Durham is not noted on their Swim England Membership record as the "ranked" club, the "ranked" club will pay the Swim England Membership fee.

There is no additional cost for Swim England to join Durham as a second or third club with Swim England.

Club Membership

All new members are also liable to pay a joining fee of £20. This helps to cover the administration involved in setting up new members. The new member will also receive a voucher to purchase a Durham City Club swimming hat once payment has been received.
