

Parents Pledge

As a parent of Nunawading Swimming Club,
I pledge to support my child's enjoyment
and personal fulfilment in swimming,
focusing on their individual effort and
progress without comparing them to others.

I commit to valuing every child's unique
journey, refraining from criticism of my child,
other children, or parents.

I trust in the Club's decisions, respecting the
roles of coaches and volunteers, as we work
together to foster a positive, supportive
environment for all.
