Swimming

Chantal and Sharon met a few weeks ago to go through the whole set up of County championships and what roles are needed when. Chantal is in process of writing documents up but have split the workings into 4 sections:

Pre counties = March to December

Prep counties = Jan and February

Lead daily roles at Counties

Daily club vol roles at counties (this is what Paul sends out to clubs to fill roles)

Each section has a clear break down of the roles in that section with a description. These are the documents I plan to send out for clubs to circulate to ask for volunteers. Some roles have already been filled and some roles are very specific e.g. AOE for each session needs to be volunteers who already run AOE in their club set up.

There are some new supporting roles as Sharon did a lot on herself and some of these roles can be split amongst other people e.g. updating the website, stationary etc

From these description documents I have made spreadsheets up as well for when people sign up for roles. Also a time line for which roles need filling more urgently and others which are closer to the actual meet.

The pools have been booked. Chantal & Suzy will start working on the qualifying times with Sharon over the next couple of weeks to try get them out soon as this is the next step. The license cannot be applied for until September so the set up of counties as a competition (new hytek file, promoters conditions, programs, paper work etc) will be done over the summer holidays.

Getting the next block of volunteer roles in place is the next priority which will be in my working documents sent out. Hopefully it all makes sense and is also set up for future years setting up each year.

Artistic Swimming

O&NB County Artistic Swimming Annual Report

July 2024

This last year has seen the changes to Artistic Swimming continue to be introduced to all levels of competition.

The new choreography requirements for routine swimming and the new judging systems have been introduced to all national competitions with a scaling down of requirements for regional/club level events in order for enough officials to be trained in the new roles required.

The newly introduced mathematical penalties now being deducted for Synchronisation errors are awarded by Technical Officials and Video review. This has had a huge effect on overall scores and has influenced choreography and training methods. The emphasis now being on precise synchronisation for all ages and levels of athlete.

A well-attended and lively National Judges and Coaches Conference took place in December 2023 where the continued process of introduction of changes were detailed for competitions in the UK. Extra training courses for officials were run and further tutoring sessions took place on how to use the new changes to aid coaches and choreography.

South East Regional competitions have been held under the new rules in order for Clubs to be able to prepare for National Competitions, alongside Novice competition events.

A Regional trials day was held in November 2023 for athletes looking to represent the SE Region at the Inter Regional Games held in May 2024. This competition comprises of 3 disciplines for artistic swimmers – land work, figures, and speed swimming. No County athletes were involved in the squad this year, but Louise Fuller (OWASC) was again appointed as one of the lead coaches for the SE Squad. The squad competed well and was awarded 2nd place after there was a tie for first place overall – final places were determined on which region had achieved the highest results in the Figures section during the day.

For OWASC athletes there have been limited competition opportunities and their results are shown below. A special mention for Megan Thomas from OWASC who competed in Sheffield in July in her first British Masters Solo Championships in the 18-24 years section performing her first ever solo – she had the dubious honour of swimming first in the day and opening proceedings and held her nerve well.

OWASC athletes have successfully attended grade Days – the club achieved a 97.5% pass rate overall.

Insync MK lead, Annette Probert, reports that they have some pool time arranged at Bletchley LC and are gradually building up again.

Mandy Fuller (OWASC) continues in the role of National Artistic Swimming Competition Licensing Officer, Judges from OWASC have officiated at Regional and Club competitions and Steve Fuller was Referee at the British Masters Championships.

The announcement of the permanent closure of Brookes Harcourt Hill Pool has led to the loss of OWASC's Oxford base. The Committee have been working hard to establish a new base for sessions in Oxford from September 1st and negotiations are ongoing but unfortunately with a loss of the water depth that was offered at Harcourt.

Interest in Artistic swimming is still growing as it enters an exciting new phase, which also sees the inclusion of male athletes at the Paris Olympics. Recent GB Duet medals at the World Championships and European Championship medals in Duet, Mixed Duet, Male Solo and Junior European Team championships will hopefully continue to stimulate increased interest in the sport.

ONB Disabilities Report July 2024

We are looking forward to an extremely exciting summer of Para swimming. Over the next couple of months we have ONB swimmers involved in the British Summer Championships, English Summer Nationals and the Paralympics.

At the end of July Olivia N-B and I will both be competing in the British Summer Championships, this year this is being used as a preparation meet for those competing in Paris. ONB will have representation at the Paralympics from Olivia Newman-Baronius from Maxwell. Everyone involved with ONB would like to wish Olivia the greatest success in Paris and will be cheering her on every step of the way!

After the excitement of the British Summer event we move onto the home nations competitions where Gavina S and I will be competing in Sheffield at the English Summer Nationals. This should be an exciting week of competition with a large number of para swimmers taking part. I will report back as to how we get on next season.

For swimmers with a physical disability to begin the process of becoming classified they need to attend a Regional Para Development day to get their skills signed off, this then allows them to be placed on the waiting list for classification. Regional Para Development days are open to any swimmer with a physical, visual, intellectual or hearing impairment. The most recent event was held in June. I will forward the information for the next event as soon as it becomes available.

If you have any swimmers who require visual/intellectual classification please contact me if you need advice/assistance. Also please let me know if any of your swimmers obtain a classification so that I can ensure they receive any appropriate meet/development opportunity information.

The next regional development meet for Para swimming should be taking place on Sunday 22nd September at Hengrove Pool in Bristol. This is a joint venture between SER and SWR. Currently there are no further details other than a licence number. As soon as more information becomes available I will forward it onto clubs. We have been sent information about the East region development meet which is also due to take place on the 22nd Sept. Details can be found https://www.eastswimming.org/disability/para-swimming-competitions/ closing date of Wed 21st August. Depending on where swimmers live they may find it easier to travel to the East competition as it will be based at Newmarket however if they are looking for classification there is a greater chance of being allocated a slot at our 'home' region (i.e. South East/South West combined). The development meets are a good opportunity for our up and coming para swimmers to test themselves against others with similar disabilities and are an enjoyable early stage meet.

National Masters Intercounty Championships, London Aquatics Centre, 10 November

As we move towards late summer, Masters swimmers are starting to look forward to autumn competitions with the two main events being the Swim England National Masters Championships in Sheffield at the end of October and the National Masters Intercounty Championships in November.

It has been confirmed that the South East gala of the Intercounty competition will again be held at the London Aquatics Centre on Sunday 10 November (1-4.30pm). I will soon be contacting ONB clubs and asking for names of Masters and Senior swimmers who would wish to put themselves forward for the ONB team this year, however please also contact me at onbmasters@gmail.com with swimmers' names and ages - all events are 50m and in 10 year age bands (18+, 25+, 35+, 45+, 55+ and 65+).

The lead referee role for this gala rotates between the SER counties and this year is ONB's turn; if you are an official who would be willing to support the county Masters team by taking on the lead referee role, please drop me a line at onbmasters@gmail.com.

Officials Coordinator Report

With the current hiatus in Officials Training within the County, South East Region has organised for Berkshire and South Buckinghamshire County ASA to provide Officials Training until ONB Officials Training re-commences.

BSB has advertised 2 courses, J2 and J2S starting this month for which we have:

Club	Course	No Officials
Aylesbury & District Swimming Club	J2S	3
Bicester Blue Fins	J2S	1
Bourne End Swimming Club	J2S	1
CMK	J2S	1
CoSC	J2S	3
Didcot and Barramundi	J2S	1
Wantage White Horses Swimming Club	J2S	1
Bletchley and District SC	J2 Workshop 2	1
CoSC	J2 Workshop 2	1
AVSC	J2	2
Bicester Blue Fins	J2	2
CoSC	J2	1
Wantage White Horses Swimming Club	J2	4
Witney & District SC	J2	3
Total		25

This is supporting 10 ONB Clubs and 25 Officials wanting to progress their Officials Qualifications of which some have been waiting over 9 months for a course.

Feedback from the J2S course has been very positive, a few of the comments received are:

"I thought Chris delivered the J2S course brilliantly, probably the best online trainer I have had whilst being an official. He was honest, clear, didn't just read slides but explained them and was very easy to listen to and engage with."

"The J2S course run by Chris Hurst on Thursday evening was very informative and enjoyable."

The Regional Officials Coordinator has confirmed the requirements for the <u>County Officials Administrator</u> (no special qualifications) and <u>Officials Coordinator (Referee)</u>, the Job Descriptions are posted on <u>the executive page on the ONB website</u>. There is a <u>diagram of the responsibilities and process for officials training</u> as provided by the Regional Officials Coordinator on the ONB website (alongside the Job Descriptions) and <u>overall role structure</u>.

Officials' Report July 2024

Thank you to all the officials who have worked (unpaid) at the various meets throughout the County over the last year and a special thanks to Felicity Govan for her support with all things administration.

I am disappointed to note that the issues from the beginning of the year have still not been satisfactorily resolved. I feel that this is not acceptable and has caused additional stress for those involved and inconvenienced officials in the county wanting support and training. I am hoping that this situation can be dealt with once the new Chair is in place. From my point of view, I would like to mention that at no point did I state I was stepping down at the AGM and would be more than happy to continuing supporting officials as their coordinator once the issues have been resolved. (It is my understanding that this applies to Felicity as well)

It has been a pleasure to see another official qualify as a referee this year and I wish those currently training all the best for their exams. Congratulations also to all those officials who have qualified in a new role over the last year, and I look forward to working with you all poolside during the upcoming year.

Fixtures and County Camps

- Last dev camp for the 23/24 cohort was completed 5/7/2024
- Chantal has submitted a report
- We have started planning for the 2024 Intercounty Competition
- Coach travel is booked and preliminary selections made. We aim to get the list out in by 19th so coaches see it before summer break.
- Please ask club secretaries who coaches are part of the selection committee to prompt their coaches to review.
- Please also encourage clubs to support intercounties. It's a great experience for the swimmers and will allow them to swim at the national pool in a relaxed environment meaning that when they someday get to nationals it is not a completely new and scary experience.

County Team Coach Report

County team report – By Chantal on behalf of Hannah

17 swimmers attended the last ONB pathway camp for the 2023-24 season. Thank you to Debs Tillson for being TM and to our 5 coaches – David, Lynda, Logan, Justin and Emma for the great sessions they put on. The swimmers all had a great day and took away a lot from their sessions, especially having such small groups with coaches.

We are starting to plan the next 2024-25 season pathway camps with swimmers being selected from the SE rankings on the 4th August by the 200m IM times. Dates and venues are in planning and emails will go out to clubs over the summer to invite the next group of swimmers to their pathway camp days.

The October Intercounty gala team is also in the process of being selected. As discussed last year at ONB meeting the selection is earlier that previous years so have more time to pull team together and get invitations out before the summer break. Also before swimmers enter any open meets that weekend they know they have or have not been selected.

Think that's all!

Fundraising

Funding Applications June 2024

Thame Swimming Club

"Thame Swimming Club (TSC) is in need of new competitive lane ropes. We will need a minimum of 4 ropes for our 5 lane pool at Thame Leisure Centre. Our current lane ropes are in poor condition.

It is believed they are the original ones bought when the club was established 15 years ago. The plastic is now brittle. We have been fundraising and successfully got £620 from a recent Swimathon.

TSC worked in partnership with The Rotary club with the Santa Sleigh and received a cheque for £800.

We have been in contact with GLL (Thame) who had also requested additional funding from South Oxfordshire for new lane ropes. This has been declined by the Council.

The lane ropes cost £790 each. I have an email from GLL confirming this as they would order it through their approved company Malmsten)- Malmsten Racing Lane- Standard 100mm discs 25m.

The total for the lane ropes would be £3160.TSC has raised £1420.

The lane ropes are not used by the school.

Thame Swimming Club is asking for £1740."

Note: Thame SC received £295 in January 2018 for land -based training equipment with nothing since then. There have not since 2017 been any funding requests from clubs for lane ropes.

Policies and Governance

Swim England Governance Code update June 2024

We should have, by the meeting, had the revised OMS personnel report accepted.

After the AGM July 2024, we will be able to submit the Welfare Officer Compliance Statement. This is the last element of the Governance Code requirements, and we will then comply with all aspects.

Swim England South East Region

ONB Meeting July 2024

Swimming Manager Recruitment

Swim England South East Region is looking for a person or persons to take over the role of the Region's Swimming Manager from the start of the next swimming season; 1st September 2024.

The Swimming Manager is accountable to the Regional Management Board and is expected to produce reports to that body as required. Strategically, it is desirable that there continues to be a person responsible for managing and co-ordinating all aspects of speed swimming in the region (except Open Water, Masters and Disability Swimming). The Region recognises that it may be not be possible to find a single person with the range of skill sets and experience needed and are therefore open to the idea of separating elements of the role where appropriate.

The Swimming Manager may, and is encouraged to, delegate the delivery of specific tasks to other individuals or working groups but remains accountable to the Region Management Board for all activities.

The Swimming Manager is a voluntary position with full out of pocket expenses paid.

We are inviting expressions of interest from anyone interested in taking on the role of Swimming Manager or responsibility for specific and appropriate, self-contained tasks.
