Due to the continued issues reported in the media about Metro Bank, I have not yet started to transfer ONB ASA monies from Barclays to Metro Bank. I will wait to see that everything has settled before doing so.

#### Cashflow

Given the decision to not stay overnight for the Inter Counties in October 2023, the cashflow has been adjusted to reflect this. The 2023/24 budget has not been adjusted though.

	Current prediction 01/03/2024	2023/24 budget
Total expenditure	£44,818.34	£50,035.44
Total income	£58,183.84	£45,320.80
Overall	£13,365.50	-£4,714.64
surplus/deficit		

The cashflow and monitoring against budget is on the next page. Please note that the "Predicted to Mar 24" column includes Apr-Dec 23 which cannot be seen as the cashflow is a rolling 12 months since my last report in January 2024.

Given the issues with Metro Bank, I have removed any interest assumed to be from Metro Bank for the moment from the cashflow as I am not sure when we will move to them. The 23/24 budget for income (£45,320.80) still includes the projected interest we expected from Metro Bank.

### **O&NB County Artistic Swimming Report**

#### March 2024

Since the January report 7 athletes from Oxford and Witney attended a Grade Day in Reading to take and pass 8 grades some achieving silver level. The next grade day is in Sevenoaks in May followed by another in July in Reading.

The National Age Groups has been held at K2, Crawley over the weekend of 9<sup>th</sup>/10<sup>th</sup> March.

The British Championships will be held at Harvey Hatten, Nottingham on 27<sup>th</sup>/28<sup>th</sup> April.

Unfortunately for the first time in many years there will be no athletes from O&NB qualified for either event. Following COVID a lot of clubs are having to build up their athlete numbers from new members, with rising pool costs and achieving entry level qualifications takes time. (National level entry requirements for 12 & under athletes require them to take and pass 6 Grades in total). Oxford and Witney are hopeful for entries to build again over the next 2 years.

Coaches and athletes celebrated the success of the GB duet of Isabelle Thorpe and Kate Shortman at the recent World Championships winning silver and bronze medals and gaining an entry place for the Paris Olympics. This success will undoubtedly have a positive impact on numbers joining Clubs in the coming months.

We also celebrate the successes in the World Masters Championships in particular that of Jeanne Ansley (Leeds) won Gold medals in both the Tech & Free Solos in the 80-89 years age group.

Oxford and Witney will be looking forward to taking athletes to Regional and Invitational Club competitions in the coming months where everyone can become familiar with the new judging systems now in use.

Mandy Fuller

(County Artistic Swimming Secretary).

## Disability

## ONB Disabilities Report March 2024

There has been an awful lot happening in Para swimming over the last couple of months and the next few look to be even more exciting!

January saw the start of the county championships. This year we increased our para contingent in the competition with 2 swimmers starting the championships with S classifications and a third receiving her S14 confirmed status for the last weekend of the championships. The increased visibility has led to enquiries as to the classification process for S14 swimmers which is encouraging. It has been really good to have the competition between para swimmers and I would like to extend my thanks to Sharon and the meet team for dealing with the added issues of using the Para-points calculator to determine the relative positions of swimmers with different classifications.

Through the championships we had a number of regional records set and also 3 new British records. Olivia Newman-Baronius (Maxwell) set British records (SC) for the S14 50m Backstroke, 100m Butterfly and 200m Butterfly. Huge congratulations to Olivia from us all.

After Olivia's success at counties she has been invited to travel to Italy for the Citi World Para series event to obtain her international classification. This is taking place this week with her classification at the beginning of the week and the main competition 14th-17th March.

Provided this all goes to plan she will then be joining the GB Para Swim Team at the European Championships in Madeira at the end of April.

British Championships this year is for all swimmers and includes multi classification events. Entry for Para swimmers is by invitation only and we have 2 swimmers invited to take part. Both Olivia and I will be swimming in a range of events, with Olivia aiming for selection on the team for Paris.

Over the weekend of the 10th/11th February swimmers from across the country made their way to Oxford for Physical Classification. We had 2 swimmers from ONB attend, one for reclassification and one new classification. As a result we have another classified swimmer in the county and I am looking forward to seeing Olivia H from Didcot in competition very soon. Please remember if you have any swimmers who may fit the physical classification system they will need to attend a regional training session to have their skills signed off to then be placed on the waiting list. I will send round details of the next event as soon as I have them. For visual and intellectual classification please contact me if you need advice/assistance.

Finally we have regional championships approaching with representation from Gavina (Wantage), Olivia N-B (Maxwell) and Amanda (Maxwell). Good luck to all our para swimmers in their upcoming events - if I have missed anyone/anything please let me know and accept my apologies, there is a lot happening!

## Policies and Governance

### **Swim England Governance Code update February 2024**

At present, we are awaiting to hear from SE that the revised risk assessments we uploaded have been approved.

The OMS personnel report was uploaded but sent back as there was an out of date DBS, a Team Manager qualification missing and a safeguarding course not done. This is all in hand and the OMS personnel report will be resubmitted once the above are completed.

As we don't have a Welfare Officer, we are unable to submit the Welfare Officer Compliance Statement. This is the last element of the Governance Code requirements, and we will then fully comply with all aspects.

Thank you to Jain for the considerable amount of time he has spent on the OMS personnel report.

#### ONB changing to a Charitable Incorporated Organisation Association (CIOA) update

I want to get the Swim England governance code work completed and accepted first of all.

I will then move onto the CIOA application.

## Summer Long Course Championships

If you've been thinking about becoming an Event Maker and helping run our Summer Championships there is no better time to make that commitment than right now.

We have four different galas at three venue over four weekends with 17 sessions and it will take a lot of people to make sure that our athletes have the support and environment they need to perform at their very best.

If you are a member of a club affiliated to the South East Region and would prefer to have a front row seat for all the action rather than sitting in a hot balcony there is something you can do about it. We have a range of essential jobs, including welcoming spectators, marshalling swimmers to their races, supporting other volunteers announcing or helping to get the results out. There is something for everyone.

To volunteer, please complete the appropriate form.

## **Swimming Manager**

Our long standing Regional Swimming Manager has given notice that he intends to stand down at the end of the swimming season, in July 2024.

The region will be beginning its search for a new manager shortly; if you would like more information, please contact the regional team at office@southeastswimming.org
