Cashflow

Given the decision to not stay overnight for the Inter Counties in October 2023, the cashflow has been adjusted to reflect this. The 2023/24 budget has not been adjusted though.

The cashflow and monitoring against budget is on the next page. Please note that the "Predicted to Mar 24" column includes Apr 23-Feb 24 which cannot be seen as the cashflow is a rolling 12 months since my last report in March 2024.

Given the issues with Metro Bank, I have removed any interest assumed to be from Metro Bank for the moment from the cashflow as I am not sure when we will move

to them. The 23/24 budget for income (£45,320.80) still includes the projected interest we expected from Metro Ban

ONB Disabilities Report May 2024

Huge congratulations to Olivia Newman-Baronius from Maxwell SC who has become a double European Champion and a World Record holder in the S14 category.

Olivia has had an incredible few months starting with international classification in Italy at the Citi World Para series event. She swam incredibly well there picking up 3 gold medals (100br, 200fc and 100fly) and bronze (100bc).

We then moved on to British Championships which incorporated the Paralympic trials. ONB had 2 representatives in the para events. Whilst I was there for the experience and to make up numbers Olivia had higher targets in mind. Olivia had a very busy schedule and performed superbly. Day one started with the 200fc in which she won silver and obtained the Paris consideration time, she then backed this up on day 2 with bronze in the 100bc again with a consideration time. Day 3 and 4 were rest days, but she was back in action on day 5 with the 100fly and the 200IM. The 100fly was an amazing swim resulting in a World Record time of 1:03.33 (and it goes without saying a Paris consideration time), she backed this up with a solid 4th in the 200IM. After a very late night due to drug testing she was back on the final day to put in solid swims on both the 100br and 100fc. She is now waiting for the announcement of the Paralympic team, after achieving multiple consideration times at trials we can hope that she will be selected!

Olivia has had the opportunity to represent the GB Aquatics team at the European Championships in Madeira at the end of April. Once again she proved herself to be a great addition to the GB team competing in 3 races and coming home with a silver and two golds. This means that Olivia is the current S14 European Champion for the 100fly and 200IM. Massive congratulations from us all!

As I write this we are approaching the South East Region Championships. ONB has representation from Gavina Semonella (Wantage) and myself (with Olivia taking a well earned break). I will report back at the meeting as to how we get on.

For swimmers with a physical disability to begin the process of becoming classified they need to attend a Regional Para Development day to get their skills signed off, this then allows them to be placed on the waiting list for classification. Regional Para Development days are open to any swimmer with a physical, visual, intellectual or hearing impairment. The next day is being held on Saturday 15th June starting 1:30pm at Eastwood Leisure Centre, Woking, Surrey. The link, with further details and form to complete to attend is https://www.southeastswimming.org/south-east-para-swimming-regional-camp/ If you have any swimmers who require visual/intellectual classification please contact me if you need advice/assistance.

Masters

ONB Masters Secretary Report May 2024

The highlight of the past couple of months in Masters swimming has been the British Masters Championships, held last month at the Welsh National Pool in Swansea.

British Masters Championships, Swansea, April (Long Course)

This is the flagship long course Masters meet in the British calendar with only the short course Nationals in Sheffield attracting more competitors from around the country. Swimmers from Aylesbury & District SC, City of Oxford SC, Kidlington & Gosford SC, Wantage White Horses SC and Witney & District SC travelled to Wales and returned with many medals and records.

Swim England Governance Code update May 2024

We should have, by the meeting, uploaded the revised OMS personnel report.

The revised risk assessments were approved for the Counties 2024 and Development Camps 2023-24.

As we don't have a Welfare Officer, we are unable to submit the Welfare Officer Compliance Statement. This is the last element of the Governance Code requirements, and we will then comply with all aspects.

Thank you to Jain for the considerable amount of time he has spent on the OMS personnel report.

ONB changing to a Charitable Incorporated Organisation Association (CIOA) update

I want to get the Swim England governance code work completed and accepted first of all.

I will then move onto the CIOA application. However, we cannot start the process without a Chair and Welfare Officer.

Regional Strategy Meeting

The regional management board will be having an 'away day' to look at the regional strategy on Thursday 13th June.

As a valued partner organisation we would very much like for you to send a representative to this day, we do appreciate that a mid-week meeting may not suit you all, however, the board was unable to find a suitable weekend during this busy time of year.

Final details are to be confirmed, but we are hoping to meet around 1pm to have an informal buffet lunch followed by the meeting from 2 – 5.30pm at the Holiday Inn, Guildford. Please contact Kristie.jarrett@southeastswimming.org for more information.

Swimming Manager Recruitment

Swim England South East Region is looking for a person or persons to take over the role of the Region's Swimming Manager from the start of the next swimming season; 1st September 2024.

The Swimming Manager is accountable to the Regional Management Board and is expected to produce reports to that body as required. Strategically, it is desirable that there continues to be a person responsible for managing and co-ordinating all aspects of speed swimming in the region (except Open Water, Masters and Disability Swimming). The Region recognises that it may be not be possible to find a single person with the range of skill sets and experience needed and are therefore open to the idea of separating elements of the role where appropriate.

The Swimming Manager may, and is encouraged to, delegate the delivery of specific tasks to other individuals or working groups but remains accountable to the Region Management Board for all activities.

The Swimming Manager is a voluntary position with full out of pocket expenses paid.

We are inviting expressions of interest from anyone interested in taking on the role of Swimming Manager or responsibility for specific and appropriate, self-contained tasks.
