Chair's Report

Chairs Report November 2024

It's been fantastic to witness some amazing performances in the pool from our ONB swimmers! The team had an exceptional day at the Inter Counties Championships at Ponds Forge, with standout efforts that secured our promotion from Division Two. Congratulations to each and every swimmer! I was fortunate to be poolside with the team and want to extend my thanks to Chantal for all her work organising everything (and looking brilliant in her ceremonial blue!). Special thanks also to Hannah for coming back early from maternity leave to lead as Head Coach, as well as to Emma and Neil for their ongoing support as Team Managers.

Further achievements came from ONB swimmers at the Masters SC Nationals at Ponds Forge and the South East Short Course Championships – a huge well done to all involved!

As we shift our focus to the County Championships 2025, I want to emphasise the importance of support from every club in county to make this event a success. I urge committee members, and coaches to encourage parents to step forward and volunteer their time over the five weekends. Without this collective effort, delivering a successful championship will be a real challenge. So let's work together to make it happen!

O&NB County Artistic Swimming Report

November 2024

Since the Paris Olympics there have been more changes made by FINA to Artistic Swimming Rules. Coaches and judges are attending a series of Webinars and coaching days to be made aware of the implications of these changes which will be adopted for January 2025.

Unfortunately, there is no National Conference this year, which has been a disappointment to all coaches & judges especially considering the unexpected changes that have been made in the sport.

Since September there have been two Grade examination days in South East Region, in Reading and Sevenoaks. Athletes from OWASC attended both and a total of 13 grades were taken and all were passed.

On Saturday 6th November there was a Novice figure competition held for regional athletes, this was also attended by athletes from Electric Eels Down Syndrome Club, Windsor. Steve Fuller was referee and Mandy & Louise Fuller also officiated at the event.

Nine OWASC athletes attended, and all competed well -for some it was their first experience of competition, and all athletes enjoyed the day, and several medals were won including a clean sweep of the podium in the Grade 0, 13-15 years age group. Full results are listed below.

Steve and Mandy Fuller have been asked to officiate in an upcoming event in Plymouth for the South West Region as Level 3 judges due to a decreased availability in the SWR. Louise Fuller is in current talks concerning the South East Regional Squad coaching team for 2024 - 2025.

Athlete trials for the Squad are due to take place in December in Reading.

Disability

ONB Disabilities Report November 2024

The last couple of months have been fairly quiet for Para swimming. In September Isla and Amanda (both Maxwell) took part in the SE/SW Joint Para Development Meet in Bristol. This was an enjoyable event allowing swimmers with a variety of experience the opportunity for some early season competition. Due to illness and injury ONB had limited representation at the recent SER Short course regional event.

For swimmers with a physical disability to begin the process of becoming classified they need to attend a Regional Para Development day to get their skills signed off, this then allows them to be placed on the waiting list for classification. Regional Para Development days are open to any swimmer with a physical, visual, intellectual or hearing impairment. The next event is on Sunday 15th December at ACS in Cobham. Swimmer should complete the form found

https://www.southeastswimming.org/south-east-para-swimming-regional-camp/ to take part.

If you have any swimmers who require visual/intellectual classification please contact me if you need advice/assistance. Also please let me know if any of your swimmers obtain a classification so that I can ensure they receive any appropriate meet/development opportunity information.

The next major competition for the Para swimmers is the winter Para Nationals, these are taking place on 23rd/24th November and venue is Sandwell. I think I have distributed the information to all qualifying swimmers but if I have missed anyone then please let me know. The link for entry is https://www.swimmingresults.org/events/agbparawinter24/MCindex.php There will also be opportunities to swim in the Winter Short Course Nationals, entries are now open. In summary swimmers need to have times recorded on rankings that score in excess of 350 para points to be eligible to compete.

ONB Masters Secretary Report November 2024

National Masters Intercounty Championships, November 2024

The deadline for submitting this report comes a few days too early to give a report on the National Masters Intercounty Championships which took place on Sunday 10 November. A team of 33 Masters swimmers aged between 18 and 82 travelled down to the London Olympic pool along with officials Mark and Felicity Govan whose support for the event and County team was greatly appreciated. It was great to see eight different ONB clubs (Abingdon Vale SC, Aylesbury & District SC, Bourne End SC, City of Oxford SC, Didcot & Barramundi SC, Kidlington & Gosford SC, Wantage White Horses SC and Witney & District SC) represented in the team this year. A full report on the gala and results of the national competition will be provided ahead of the next Committee meeting.

Swim England National Masters Championships, Sheffield, 25-27 October

More than 1,600 Masters swimmers from around the country gathered in Sheffield for the Swim England National Championships, the highlight of the Masters swimming calendar with swimmers from seven ONB clubs attending.

This year Aylesbury & District was the leading ONB club at the event, bringing home 19 medals and 18 county Masters records. Leading the way for them was Elizabeth Gray, who broke the British record in the 30-34 years 200m butterfly by four seconds – many congratulations Lizzie!

In all, 30 medals were won by ONB swimmers and relay teams:

Officials

Officials Report - November 2024

I'm pleased to offer myself for election as Officials Co-ordinator.

I do this with a sense of trepidation, as if elected, I would replace the incomparable Karen Underwood, who led our county officials group and acted as Technical Director at the County Championships with distinction for five years. I'm pleased that despite stepping down, Karen is still an active referee and has kindly offered to support me as I get to grips with the role, and will also help train the next generation of officials working through their qualifications.

I should also thank Felicity Govan who stepped down as Officials Administrator at the AGM, also after five years' service. The amount of work that she put in, usually unnoticed and in the background, to ensure we had an efficient and effective operation should not be underestimated. Maco Bryan has replaced her – and all officials queries and requests for training should be emailed to onbofficials@outlook.com

I'm also grateful to Gary Blissett for his help and support.

J2 / J2S Training

We've not been in a position to run J2 / J2S training this year. The County Executive therefore made arrangements for our neighbouring county, Berks & South Bucks (BSB), to train those officials wanting to move up the ranks and several took this up. This has now ended and we'll be looking to run our own training courses when needed.

If you're a J1 interested in J2, or a J2 interested in becoming a starter, please register your interest for our next training course with Maco and do not approach BSB.

Change to J2 Training Admin.

The administration of applying for J2 training has changed. We'll shortly write to clubs to confirm the new arrangements.

2024 County Championships

We're running 18 Level Two galas with strict licencing requirements, so we'll need a full complement of J1 and above qualified officials. If we do not achieve this, the galas will either have to be downgraded to Level Three or Four, or won't be able to take place. We'll be sharing the sign-up links with clubs shortly, and ask that officials sign up as soon as possible please. Especially as it's only two months until the first gala at The Leys Pool.

We'll be able to offer mentoring opportunities on a first come first served basis – the relays throughout the programme are the perfect (and rare) opportunity for J1 trainees to get this competency signed-off!

Referees Training

Our three referee candidates sat their exams on 9 November. Good luck to Penny Curtis (WWH), Steve Fabes (DB) and Graham Dick (NP). They should find out their results at the turn of the year, and if successful, then have a practical assessment in order to be licenced.

If a qualified J2S would like to be considered for the 2025 referee training course, they should let me know before 31 December. They will need to have completed a minimum 50 recorded poolside hours across all roles and at a variety of levels of meet since the date of qualification as a J2S, in addition to the 10 hours consolidation required post qualification.

SESWR Regional Para Development Meet

It was great to see so many South East para swimmers attend the event, hosted by the South West and held in Bristol in September.

Two swimmers from ONB made the journey to Bristol to compete across a number of races. There was a great atmosphere during the afternoon's racing and it was great to see the smiles on the faces of those competing across all the events.

SwimMark and Club Affiliation

It has been a year since the mandatory requirements below became part of the affiliation process, so all clubs should now be familiar, however, if you have had a change of personnel, please do ensure that the following workshops and CPDs are in place for your affiliation renewal;

- Club chair good governance workshop https://www.swimming.org/swimengland/running-your-club/
- Welfare Officer good governance workshop https://www.swimming.org/swimengland/running-your-club/ (this is in addition to the Time to Listen course)
- Foundations of inclusivity workshop https://www.swimming.org/ios/course-information/foundations-of-inclusivity/
- Introduction to Disability CPD https://www.swimming.org/ios/course-information/introduction-disability-swimming/
