Dear Gemma,

Re: County Governance Code

I am pleased to congratulate Oxfordshire and North Buckinghamshire County on being awarded the condition of 'met' in relation to the Swim England County Governance Code. Having completed all required evidence, this means you are compliant and have achieved the minimum standard of checks.

You may now use the County Governance logo on County documentation and website as required. The logo can be found on the portal, within the "resources" tab (please ensure correct logos are used). I have also attached for your reference.

It is also important to share your achievement with the affiliated clubs within your County to let them know you are compliant and governed to a minimum standard.

Enclosed is your County Governance Code certificate for display, which lasts for one year and will expire on 25/03/2026. We will be in touch prior to expiry to let you know how to maintain these standards.

We would like to thank you for your support and commitment to the County Governance Code and congratulations.

Yours sincerely
