## Chair's Report

Chair's Report - 22/01/2026

The Counties programme has enjoyed a strong and encouraging start, with swimmers across all age groups delivering some truly fantastic performances. Congratulations to every athlete who has taken part so far; the standard of swimming has been exceptional and reflects the hard work taking place across our clubs.

A heartfelt thank you goes to the Oxford team for their excellent organisation and smooth running of the last two weekends. Their commitment, professionalism, and attention to detail have ensured a positive experience for swimmers, coaches, officials, and spectators alike. As we move forward, we wish the Aylesbury, CMK, and Maxwell teams the very best of luck as they take over delivery of the remaining three weekends. Our thanks also extend to all volunteers who have given their time so generously—your contribution remains the backbone of our success.

We would also like to extend our sincere thanks to our ONB President, Gary Blissett, who has been fulfilling his official role throughout the Championships before presenting the trophies at each event. His presence, support, and willingness to contribute on multiple fronts are greatly appreciated.

Over the coming weeks, one of our key aims is to capture strong imagery of our officials and volunteers. We want to showcase the people who make our county what it is and highlight our message of “stronger together.” These past two weekends have reinforced just how vital this community is.

They have also highlighted the importance of forming a new steering group for next year's Championships. This is essential to ensuring continuity, stability, and the high standards we expect. The work being done this year by Gemma, Chantal and Suzy has been outstanding. Their leadership, organisation, and calm coordination have shaped a Championships environment that runs seamlessly. Establishing the new group promptly will allow for an effective handover and ensure that the systems they have built continue to serve the county well.

We have received excellent feedback from both parents and swimmers, particularly regarding the new medal ribbons and upgraded finalist medals, which have been very well received. It is always encouraging to see enhancements to the athlete experience recognised and appreciated.

In addition, discussions have taken place regarding the significance and future of our county trophies. We have reviewed their overall condition, the costs associated with their upkeep, and the best way forward to preserve their importance while managing expenditure responsibly. This is an area where tradition and practicality must be balanced carefully, and Cat will provide more detailed information during our meeting.

Alongside the Championships, we have been working closely with Iain, Hui and Cat on a number of County matters to ensure our long-term stability and continued reputation as a flagship county—both in terms of swimming performance and organisational strength. Their

combined expertise has been invaluable. Iain's work on our transition to Charitable Status has been a significant step forward, helping to safeguard the County's future and strengthen our governance. Hui's careful oversight of our finances has ensured that we remain in a healthy and sustainable position, and her clarity and diligence have been central to our financial confidence.

Cat and Hui will be collaborating over the coming weeks to develop a clear and robust Finance Policy for the County, with a draft proposal expected at our next meeting. This work will give us a stronger framework for decision-making and long-term planning.

As ever, we extend our sincere thanks to all those who enable our swimmers to compete at their best, build lasting friendships, and create memories that will stay with them throughout their sporting journey. Our focus must remain firmly on our athletes and on providing them with the highest-quality opportunities and experiences that ONB can offer. We are committed to working collectively to deliver across all areas required to maintain the strong standing of ONB, and we express our deep appreciation to all volunteers, officials, and committee members for their generous dedication of time and expertise, without which none of this would be possible.

Warm wishes

Carolyn and Hannah

## Artistic Swimming

### **O&NB County Artistic Swimming Report**

#### **January 2026**

To start 2026 Oxford & Witney held their annual Winter Showcase at Abingdon School in front of an invited audience of family, friends and alumni athletes. OWASC were delighted to host our County President Gary, and his wife Louise, and introduce them to the world of Artistic Swimming.

Routines had been practised in December before the holiday break and with just one session's practice after the break everyone swam well, remembering their choreography, the event went smoothly and was thoroughly enjoyed by all who attended.

The end of 2025 brought medal success in the Rugby Colour Competition and passes in the December Grade Day.

It is currently straight into training for Grade Assessments to be held on 25<sup>th</sup> January in Reading and into new choreography for 2026.

### Disability

#### **ONB Disabilities Report January 2026**

We had a good end to 2025 for our Para Swimmers with Olivia N-B (Maxwell), Tara B (Maxwell) and Emilie H (Newport Pagnell) all competing in the Swim England Short Course Nationals. All three did extremely well with Golds for Olivia 100fly (World Record), Silvers for Tara in 400fc, Olivia 200fc, 100br (European Record), 200IM, and Bronze for Tara 100br, 100bc, and Olivia 100fc. Emilie achieved finals in 100br (10th), and Tara in 100fc(10th), 200IM(4th), 100fly(4th). An absolutely exceptional set of results - well done girls!

The next event for our para swimmers will be counties where we have a record number of para competitors - the 100fc will showcase all our current classified swimmers with 7 competitors from 4 clubs. taking part. This is really pleasing to see especially as all impairment types are being displayed (physical, visual and intellectual), a true multiclass competition. Hopefully the continued visibility of our para swimmers will help to encourage others to take part, if anyone would like further information regarding para swimming and classification please do not hesitate to get in touch.

A reminder that there is regional training for all swimmers with a disability, including those with hearing impairments and those who are on the waiting list for classification. I will pass on details of the next training session as it becomes available, it is currently expected to be in the summer term.

Please remember if you have any swimmers who may be eligible for physical classification they will need to attend regional training to have their skills signed off so that they can be placed on the waiting list for classification. If anyone requires any assistance in the process to becoming classified (physical/visual/intellectual) please let me know and I will do my best to support you.

The week after counties is complete some of our para swimmers will be heading to Swansea in Wales to compete in the Aquatics GB National Para Championships. This years event will have finals in all events with extra finals for the Commonwealth Games events for relevant classifications, I will let you know how we get on in the next meeting. Looking forward for the next few months we will have the Aquatics GB National Championships in April, various international competitions and South East Regional Championships. There is plenty on swimming to come over the next few months!

### Masters

#### **ONB Masters Secretary Report January 2026**

##### National Masters Intercounty Championships

A team of 35 ONB swimmers from eight different clubs travelled to the London Aquatics Centre for this event on 9<sup>th</sup> November.

First and foremost, on behalf of all swimmers, I would like to note our thanks to the ONB officials – Karen Bunce, Chris Harrison and Sandra Wrenn – who volunteered their time to support this event and allow our masters team to take part.

It was a great team effort on the day, resulting in a 7<sup>th</sup> place finish in the South East gala and 19<sup>th</sup> place nationally (out of 32 counties). Although we were unable to match the dizzying heights of 2024's 11<sup>th</sup> place nationally, this was always going to be a tough ask with several stalwarts of the team unavailable through injury. The team put in an excellent performance in what is always a very high-level gala in the South East, and a particular mention goes to those swimmers who stepped up for the team to swim lots of events, down an age group, or on their less preferred strokes (or all three!).

Congratulations to Elizabeth Gray and Charlotte Neill, who both achieved top 5 finishes in their events nationally:

4th: Elizabeth Gray, 25+ 50m breaststroke

4th: Elizabeth Gray, 25+ 50m butterfly

5th: Elizabeth Gray, 18+ 50m breaststroke

5th: Charlotte Neill, 25+ 50m backstroke

And we had seven top three finishes in the South East gala on the day (only one fewer than last year):

1st: Elizabeth Gray, 25+ 50m butterfly

2nd: Elizabeth Gray, 18+ 50m breaststroke

2nd: Elizabeth Gray, 25+ 50m breaststroke

3rd: Lindsay Kelly-Onay, 55+ 50m butterfly

3rd: Lindsay Kelly-Onay, 55+ 50m freestyle

3rd: Jason Raftery, 55+ 50m breaststroke

3rd: Men's 140+ Medley relay (Mat Masters, Andrew Brearley, Andrew Hagues, Kieran Elliff)

Next year's event will take place on 15<sup>th</sup> November 2026 – one week later than usual – save the date!

## Welfare Officer Report

### **Welfare role at county championships**

Thank you to all the clubs who have responded to our request to cover the welfare role at the county championships. Each club only needs to cover one gala each if everyone steps forward.

We still require welfare to be covered at gala's:

6

16

Clubs who have not responded:

City of Milton Keynes

Henley

Abingdon (offered to help at a gala we already have the role filled for, so I've asked if they can cover one of the above)

If a representative from the above clubs can please provide the correct contact details for the welfare officer as we have no luck in making contact with them they will be allocated one of the above remaining gala's to cover at the county championships.

### **Contact details**

Contact details from the list provided by Iain need updating for:

Wantage

Welfare officer is Rae Keen

Deputy Welfare officer is Caroline Barron

Oxford

Who is the welfare officer there now as I am led to believe the contacts we have may not be correct?

### **Reminder for the main weekends**

**Oxfordshire & North Buckinghamshire Counties ASA**

**Affiliated to Swim England Southeast**

Please can all clubs reiterate to their swimmers:

NO mobile phones in changing rooms and the consequences if they do so.

Swimmers need to go to marshalling dressed and with shoes on.

The event is run by volunteers and swimmers should be aware of their conduct and behaviour during the gala's with the people who they interact with and any issues will be addressed by the welfare officer onsite for the gala.

Kind regards

Christina and Laura

### **Club Affiliation**

The following clubs will be completing their affiliation this quarter.

Bourne End SC

City of Oxford WPC

Henley SC

InSync ASC

Oxford Brookes University SC

Oxford University WPC

Sunflower SC

Wantage Youth SC

We remind all masters clubs that coaches are required to attending safeguarding and have a basic DBS which can be obtained here <https://www.gov.uk/request-copy-criminal-record> this should be sent to [dbs@swimming.org](mailto:dbs@swimming.org) These changes have been mandatory for over a year so must be in place to complete the club affiliation process.

We advise clubs to regularly check their personnel reports to check that these are up to date and that the necessary qualifications and safeguarding requirements are in place ahead of the affiliation quarter.

### **Club Health Tracker**

Since the withdrawal of Swim Mark accreditation, we view the club health tracker as an integral part of any future development frameworks for clubs, and strongly recommend that clubs utilise this free tool. By completing the club health tracker, you can gain valuable insight across areas such as pool and operator relations and volunteer development. This tool also supports the region and national teams to have a greater understanding of our clubs.

### **South East Training/ Workshops**

Time to Listen and Team Manager training courses are both available to book through the regional website:

<https://www.southeastswimming.org/volunteers/time-to-listen-training/>

<https://www.southeastswimming.org/volunteers/team-managers/>

Any member requiring a TM course to support their club at a planned meet at short notice should contact [kate.hutchinson@southeastswimming.org](mailto:kate.hutchinson@southeastswimming.org) , there can be last minute cancellations that can free spaces on courses that are full on the website. It is also possible to reach out to other regions to request spaces, although these can come with a cost attached.

There are a number of courses available now, which may support clubs looking for volunteers for the county championships, but also to plan ahead for the regional championships in a few months.

Currently there are also a number of safeguarding courses available through the Institute of Swimming website:

<https://instituteofswimming.org/course-information/swim-england-safeguarding/>

### **Swim England Mandatory Club Workshops & CPDs required for affiliation**

- Club Chairs Workshop  
<https://uk.surveymonkey.com/r/ClubChairSessions>
- Welfare Officer Workshop  
<https://uk.surveymonkey.com/r/Welfareofficerworkshops>
- Foundations of Inclusivity CPD (for Club officers, at least one to attend - advised Chair)  
<https://www.swimming.org/ios/course-information/foundations-of-inclusivity/>
- Introduction to Disability CPD (for coaches/teachers, at least one to attend)  
<https://www.swimming.org/ios/course-information/introduction-disability-swimming/>

For affiliation renewal, these courses must be recorded as attended – it is advised that you take a screenshot of completion as evidence for the region as there can be a delay in these being recorded on your membership.

Please also screenshot evidence of attendance on safeguarding as there can be a three week delay – this may also impact any poolside accreditation purchases.

For those members with current safeguarding courses, taken with Swim England in the last three years, please be aware if your course is up for renewal you are able to complete the refresher course via e-learning in place of the full zoom course. Please do also be aware that this course will only be valid if you have attended the three hour safeguarding in aquatics course in the last three years, and it has not yet expired, and can only be done once, after which a full 3 hours course will again be needed.

Should you attend the wrong course, this may impact your ability to purchase poolside passes and permits for travel so please contact the regional office if you are unsure.

This refresher is for swimming teachers, coaches and other personnel working within aquatics activities. It is a mandatory requirement for swimming teachers, coaches and club personnel within Swim England affiliated clubs or activities and is an integral part of the Club Affiliation process.

The South East regional age group championships will be held in Haslemere, Surrey on Saturday 7<sup>th</sup> February 2026.

### **Regional Open Water Championships**

The region are inviting counties to join the regional open water championships on Sunday 28<sup>th</sup> June, as a host event for their county, as Sussex did last year, where they had their own conditions adapted for the county swimmers. Two counties have already signed up to the 2026 event. The region would include their county conditions onto the webpage to provide their swimmers with the information. The region would appreciate counties help to promote the regional event and to have some presence at the event. Please contact:
