A MESSAGE FROM THE COUNTY ASA

Welcome to the Oxfordshire and North Buckinghamshire 2024 County Championships. It is wonderful to be able to hold our championships with spectators here to support the swimmers and we are sure that the atmosphere will once again be electric with excitement.

For some swimmers this will be the first time they have qualified and competed at the County Championship, and we hope that it will be an enjoyable experience and prove to be the steppingstone onto Regional and National Championships for you. We congratulate all ONB swimmers on their successes over the last year especially Harry who competed internationally.

In 2023, ONB finished a credible 8th in Division Two in the National Inter Counties Competition in Sheffield. Our specially selected swimmers had the honour of representing our county, competed amongst the best County swimmers from around the country and were a credit to ONB. Well done to all of our swimmers and a huge thank you to all of those who accompanied the team or were part of the behind the scenes organisation.

Our County Talent Pathway Programme continues and we would like to thank our County Head Coach, Hannah Wilson, and her team for all the work they have put into the camps held this year.

This championship can only take place due to volunteers who give their time to make it happen, both on poolside and behind the scenes; thank you to each one of you. We would like to especially recognise Sharon MacNab (County Swimming Secretary) who is the organiser of these championships and who sadly, will be stepping down after the 2024 championships. Thank you, Sharon, for all of your hard work and commitment.

We have advertised for a new County Swimming Secretary and if you would like to know more about the role then please contact Sharon on onbswimsec@gmail.com or express an interest to Christine McLintock on onbtreasurer@gmail.com. It is possible for the role to be split amongst a team of 3-4 people so please do get in touch if you want to express interest in being part of a team.

ONB County only exists due to the time and effort of volunteers, many of whom no longer have active swimmers in the County. In order for us to be able to continue to support current swimmers we need more people to volunteer, can you be one of them?

PHOTOGRAPHY & SOCIAL NETWORKING GUIDANCE

PHOTOGRAPHY AND IMAGE CAPTURE

This guidance applies to all images and videos, which are not suspected of falling under the guidance on indecent/child abuse images of children, taken on any type of camera or recording device (including mobile/smart phones).

It should be acknowledged that although the majority of images taken are appropriate and in good faith, images can be misused and children can be put at risk if common sense procedures are not observed.

The publishing of a photograph of a member under 18, either on a noticeboard or in a published article or video recording (including video streaming) of a competition ("publication") should only be done with parental consent and in line with Swim England guidelines

Parents and carers of participants under the age of 18 who wish to take images are must focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

We encourage all spectators and participants at these Championship to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.

Should individuals have any concerns about photography or filming at the event, this should be brought to the immediate attention of the promoter or county welfare officer who are available throughout the event.

The Swim England guidelines state that all photographs for publication must observe generally accepted standards of decency, particularly:

- Action shots should be a celebration of the sporting activity and not a sexualised image in a sporting context.
- Action shots should not be taken or retained where the photograph reveals a torn or displaced swimming costume.
- Poolside shots of children should be above the waist only in a swimming costume. Full length shots are permitted if the children are fully clothed.
- Photographs should not be taken from behind the starting blocks or that show children climbing in and out of the pool

GUIDANCE ON THE USE OF SOCIAL NETWORKING

There is a growing awareness of the increasing communication between adults and children and indeed their peers on social networking sites.

We recognise that the use of social networking sites such as Facebook, Twitter and Instagram, and instant messaging tools such as WhatsApp, TikTok and Snapchat, continue to grow rapidly and are increasingly being used as the communication tools of choice by children.

Increasingly, many sites provide a platform for uploading and viewing video clips, which with the latest cameras and mobile phones, becomes ever easier and can be instantaneous. More recent apps, such as Periscope, allow mobile phone users to stream content directly from their phones, bypassing some of the steps required in uploading videos to YouTube or to social networks such as Facebook.

Whilst the ever developing technologies provide exciting opportunities for our members, they are accompanied by dangers and negative consequences if abused by users.

There have been occasions where parents/ guardians of members have used social networking sites to criticise or verbally abuse an organisation, its officers, officials, coaches, teachers, and/or members in an inappropriate and unacceptable manner. This has, in some cases, led the person who is the subject of the abuse to take action through statutory agencies or statutory legislation to address the comments made.

It is recommended that parents/guardians actively monitor their children's online activity, in line with Child Exploitation and Online Protection Command (CEOP) advice, which is proven to help prevent the risks of harm children may face online from peers and others they may know from a club environment.

The County executive will treat any derogatory/critical comments towards swimmers, helpers, and officials posted on any social networking site as unacceptable behaviour and will result in that swimmer/Club personnel identified as posting/hosting such comments being barred from the remainder of the county championships without refund."

Oxfordshire and North Buckinghamshire ASA are committed to ensuring that all children who participate in county swimming activities are able to take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact an Event Officer immediately to disclose your concerns.
