

Electronics Policy

Mobile Phones / Camera Phones / Camera / Video / Social Media

- The use of electronic devices (mobile phones / camera phones / camera/ video / social media) are **NOT** to be used on poolside either at the training facility or competition location **unless this has been approved by one of the Executive Committee [i.e. Chairman, Secretary, Treasurer]** beforehand.
- The taking of photographs and/or videos on poolside or in the changing area, either at the training facility or competition location is **strictly prohibited unless this has been approved by one of the Executive Committee [i.e. Chairman, Secretary, Treasurer]** beforehand. This is a safeguarding issue and **MUST** be adhered to.
- The taking of photographs and/or videos from the spectator area of swimmers in the swimming pool or swimming pool area, either at the training facility or competition location is **strictly prohibited, unless this has been approved by one of the Executive Committee [i.e. Chairman, Secretary, Treasurer]** beforehand. This is a safeguarding issue and **MUST** be adhered to.
- Photographs and/or videos may be taken outside of the poolside and changing areas but are **NOT** to be posted on any Social Media platform i.e. Facebook, Snapchat, Instagram etc. without permission from those in the photograph or video **and you have parental approval**. This is a safeguarding issue and **MUST** be adhered to.
- Oldham Seals Amateur Swimming Club will not be held responsible for any loss or damage to any electronic device brought to the training facility, competition locations or in use during any Club activity. All devices are brought at the owners own risk.
