

Health and Safety in Swimming Acknowledgement

Procedures and Policy

Team Bath AS recognises its responsibility for the welfare of its members, to provide, as far as practicable, a safe and risk-free environment for members and others who may be affected by the Club's activities.

To assist the Club in meeting its responsibilities, Team Bath AS relies upon every member to adopt and maintain a responsible attitude in regard to their own health and safety, as well as to the safety and well-being of others.
