The National Arena League A Finals took place on 5/03/2023 at Cardiff International Pool.

This is the first time CWSC have qualified and swam in an Arena League A final.

Our teams' commitment was evident as CWSC finished 6th against tough competition; narrowly missing 5th place by 1 point!

Special shout outs for outstanding swims go to Maya, Kaplan, Michael, Nicole, Zeno, Nick, Tallulah and Bryan.

CWSC competed against 303 clubs (approximately 12,000

swimmers) to win a place in the Arena League A Final.

The top 10 clubs in the country raced against each other in the A Final, and competed in a total of 42 events; individual and relay.

We would like to thank: our coaches Lisa, Alexander and Marina; our officials; Sofia and Asli; our supporters and our amazing swimmers for their commitment to training and fantastic performances through out the Arena regional rounds and the A final.
