

## Godstowe School Access Arrangements

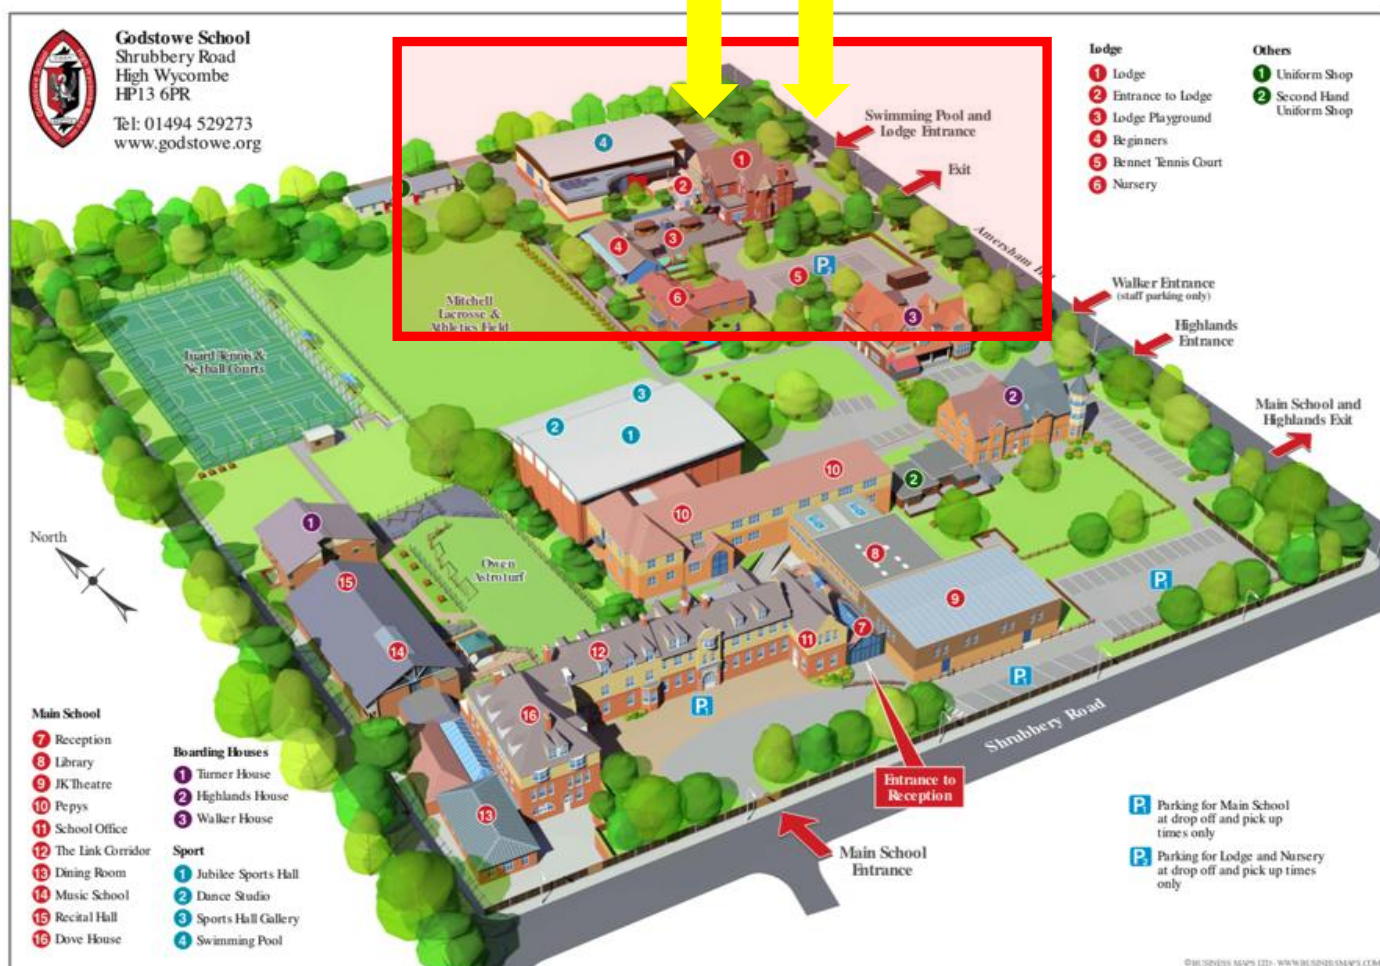

The access and arrangements in place are for the **safety and protection** of the School's pupils and our own swimmers.

The swimming pool is a fantastic facility that we are privileged to have access to. It will enable our club to continue to provide expert coaching (and opportunities) to more swimmers at the club. It should be treated with respect to ensure we continue to have access

### Site Plan

Below is the School's map of their grounds. The swimming pool is located at the very top of this map and is highlighted below in the red box.

**5<sup>th</sup> (last) gate going up on Amersham Hill.  
Drop off / Pick Up &/or park in here ONLY  
Use the other gate to Exit (Gate 4) – marked 'Exit'.**

### Access

Entrance to the pool is located on the map, as the 5<sup>th</sup> gate coming from the train station, up Amersham Hill. It is the 1<sup>st</sup> gate if you are going "down" Amersham Hill.

Occasionally one of the two gates may be locked, and you might need to use Gate 4 or just Gate 5, for both drop off and pick up.

## Safeguarding

These are not staffed leisure centres there is nowhere for your swimmer to wait after the session.

**All swimmers must be collected promptly, for their own safety at the required times.**

Our team will wait till swimmers are collected. Should parents consistently be late for pick up, then the club will exclude that swimmer from the future sessions.
