

Braintree & Bocking Swimming Club hosted its March Madness swim on Sunday 23 March. Originally intended as a two day event, BBSC did a magnificent job in condensing the competition into one day due to the (all too frequent) lack of swimming officials, still offering 50m, 100m and 200m events for all strokes as well as the 200m IM. With nearly sixty swimmers in competition, some swimming at their first competitive gala, WSSC was a significant presence on the day and claimed a large proportion of the age group medals.

Congratulations to the medal-winners and also to those who didn't produce a top three age-group finish, but who posted new best times or were competing for the first time. Thank you to the two parent officials who helped avoid the event being cancelled completely and to our crew of Team Managers who, with Coach Dan, ensured we were abiding by the Swim England minimum supervisory ratios (boring but vital!).

The full results can be found [here](#).
