

Four lucky WSSC members travelled to Sheffield to represent Suffolk at the National County Teams Championship 2024 held on 6 October at Ponds Forge International Sports Centre. Jason Dallope (13), India Clement (12), Samuel Chamberlain (15) and Elizabeth Wright (17) were selected from a huge pool of swimmers from across the county, with India and Elizabeth taking the breaststroke leg of the 4 x 50m medley relays and Jason and Samuel taking the butterfly leg in the same event for their respective age groups. Samuel was also selected to swim in the individual 100m butterfly event in which he posted an extraordinary two second pb but finished out of the points. Suffolk finished in seventh position in Division 2, two places behind neighbouring Norfolk.
