

The racing was fast and furious at Abbeycroft Leisure, Bury St Edmunds over the weekend of 10-12 October. On a busy weekend in the regional swimming calendar, WSSC welcomed swimmers from nine visiting clubs as well as 100 home grown swimming stars for a fantastic weekend of competition.

Michael Hughes, Eoin Bourke, Rebecca Hughes, India Clement, Matthew Blackwell, Harry Vidal-Greenwood

Jason Dalope, Oliver Lambert, Landon Hydes, Ethan Gatly, India Clement

Competition for the coveted Don Neate Trophy for the top home swimmer was tight and contested again by last year's top girl (and Don Neate Trophy recipient) India Clement and the 2024 top boy,

Jason Dalope. With a fabulous fifteen age group gold medals (and one silver), Jason's total point score of 8810 pipped top girl India, who took a terrific twelve gold medals and three silvers (with 7413 points) from her fifteen races. Bravo to both and to all who took part and our thanks, as always, to all the Club volunteers who stepped up to help over the weekend.
