## Monson Club Kit

There have been lots of questions about kit of late especially since we have not been ordering from our core supplier for a while for numerous reasons.

We are currently in the process of doing a full kit review and looking to change supplier, so please bear with us. Our plan is to have new kit available to order from September for the new season.

We will not be changing massively. Instead it will be an evolution of where we are today. We are looking to streamline the design so we get maximum flexibility across core and competition kit, to reduce lead times and most importantly to ensure all kit is performance lead in fabric and style.

Thank you and thank you for your patience while we evolve.

## IMPORTANT - PLEASE NOTE: PERSONAL PROPERTY

Regrettably we have had an incident where a swimmer has had some of their belongings taken from a changing room, so please do remind your swimmers to look after their belongings

This is a reminder to all our members, to please leave valuables at home or leave with parents when in the pool.

When swimming at our pools and especially the public pools, please use lockers available and secure the lockers as, unfortunately, neither the pools nor the club cannot be responsible for any losses or damage to personal belongings.

## Monson OneTeam Hours

A gentle reminder that our OneTeam policy asks all families with a swimmer in a competitive squad to complete 6 hrs of volunteer time in a calendar year to avoid incurring the charge set out in the OneTeam Initiative.

Please don't forget to log your volunteering hours using the following link: [OneTeam](#)

If anyone is unsure how this scheme works please do get in touch with our [membership secretary](#)
