- A selection of plushies and toys from [Toikido](#)
- A selection of [Maximum Performances](#) items
- Other prizes donated by our TSC community and supporters

Plus, don't miss our raffle featuring even more exciting prizes!

Swimmer arrival

Swimmers should arrive from **noon each day** and wait for instructions from the volunteers running the event.

Entry is scheduled from **noon**, with warm up starting at 12:30pm latest.

Please do not get in the way of pool staff or customers as the venue is still operating to the public during our sessions. Swimmers will be held in the changing rooms until the venue has been prepared for the gala; during this time public swimmers may still be in the premises.

Changing facilities will be available but we have around 250 swimmers per session, so it will be very busy. We do not have exclusive use of the changing rooms, so please respect others using them. Swimmers are advised to arrive changed ready for the warm up.

SWIMMERS MUST NOT CAPTURE IMAGES (INCLUDING VIDEO) POOLSIDE OR IN THE CHANGING ROOMS.

ALL PARENTS WHO AREN'T VOLUNTEERING ARE STRICTLY FORBIDDEN FROM ANY CHANGING AREAS OR POOLSIDE.

Anyone not abiding by these rules will be excluded from the competition.

Swimmer preparations

A timetable and results for the entire event will be available through the *Meet Mobile* app only. This will be updated shortly before the gala.

Bags must be left in the changing rooms - please bring a £1 coin for a locker. Poolside is very cramped at Elmbridge.

While we will have marshals at the event, please make sure your children know what events they are doing, the order of events and the heat numbers they are in so that they can present themselves for races at the right times.

It is the swimmer's responsibility to report to the marshals and be ready to race in good time, and the marshals won't have time to answer repeated questions regarding when individuals' events are coming up.

Swimmers should bring water and suitable snacks but note all rubbish must be cleared up and popcorn and rice cakes are forbidden.

Medals will be awarded as per the entry pack and available for collection from a table poolside once all races have been run and certified on the day.

Please note any swimmer marked X is swimming an exhibition event (likely as they are faster than the quickest event time in the entry instructions). Their time will be recorded, however, and they will be eligible for a hot heat prize.

A warm down/up pool will be available following the formal warm-up being completed and the gala beginning.

We expect doors to the spectating area to open around 12:15pm

Programmes

There will be no printed programmes, but we will circulate the information to clubs in advance for coaches to prepare. A full list of events will also be placed on our website.

Photography

Photography and videography is allowed at the event from the balcony. However, this is subject to change; please respect any requests.

No photos or videos are allowed poolside unless agreed in advance with the promoter. A pass will be issued if request is granted.
