

# Could you volunteer as a Team Manager?

**Team Managers are vital to the running of our club.**

We help our swimmers stay safe, get to their races on time and have fun at leagues, galas and water polo matches.

Team Managers stay poolside with the swimmers, usually get priority parking and often get a free lunch too!

To become a Team Manager, you'll need:

1. a DBS check
2. Safeguarding training (3 hrs)
3. Team Manager training (2 hrs)

These courses run regularly online in the evenings and we will support you throughout.

If you are interested and would like further information, please email Liz Southgate at [liz.Southgate@teamboldmere.co.uk](mailto:liz.Southgate@teamboldmere.co.uk)
